The Occupier / Manager,

Sub :National Electrical Safety Week from 26 June to 2 July 2024.

We are pleased to inform that, the National Electrical Safety Week (NESW) campaign is spearheaded by the National Safety Council commencing from 26th June every year, with the active support of Central Electricity Authority (CEA), Govt. of India. The objective of the NESW is to raise the awareness and enthusiasm among the public and industries on Electrical Safety and to renewing the commitment of employees and public to promote a participative approach towards safe use of electricity.

Looking into the increase in reported injuries, fires and deaths associated with the unsafe use of electricity in hospitals, malls, hotels, residential buildings, factories, construction sites and other establishments, Electrical Safety is becoming more prominent health and safety concern in all sectors. There is a need for the society at large to take cognizance of the issue and join hands to make electrical safety a social movement.

National Safety Council, Karnataka Chapter is promoting the observance of National Electrical Service Week to help you organize the event effectively every year in a befitting manner.
