Sub : National Road Safety Month Campaign during 2025

As you may be aware, National Road Safety Month (NRSM) – 2025 is being observed from 15th January to 14th February 2025 as per Circular no. 2RT-25035/76/2023-RS (233009), dated 10th January 2024 by Ministry of Road Transport & Highways.

Looking into the magnitude and gravity of the problems in road safety, there is a need for the society at large to take cognizance of the issue and to join hands to make road safety a social movement.

National Safety Council, Karnataka Chapter (NSC-KC) is concerned about the mounting toll of deaths on Indian roads. Over speeding, drunk driving and non-use of helmets/seat belts have resulted in most of the accidents on the roads.

NSC-KC supplements the Government's initiative by promoting NRSM among its Members / Patrons by developing appropriate promotional materials related to prevention and control of road accidents, in the form of banners, posters, films, tip cards etc.

To observe the month effectively, NSC-KC is bringing out the promotional materials on the occasion. For details see on the reverse.

We are sure, that the promotional materials would help you in observing the NRSM-2025 campaign effectively.

We appeal to all our Members / Patrons to observe NRSM - 2025 campaign from 15th January to 14th February 2025. We look forward to your enthusiastic response.

Kindly send us a brief report with photos immediately after the event for publication in our Industrial Safety Chronicle, published by NSC, Mumbai.
